

# ROAD MAP TO

# A Levels

**Apprenticeships** 

**Employment with Training,** e.g. NVQ, OCR, BTEC Awards

#### **Foundation Learning Tier**

# The BHCS Careers Programme

Keep a look out for additional bespoke opportunities across the year too!

# FINAL EXAM PREPARATION

By now you will know your Post-16 destinations and the grades you need to successfully get you their. Use your plans as motivation to make your final preparations and make your success inevitable!

Unifrog – Careers Platform You'll have a final opportunity to consider your Post-16 choices making sure you have a back up plan this will include some myth busting around A-Levels, T-Levels, BTECs and Apprenticeships. In this challenging year there will also be a focus on coping with change and wellbeing which skills that will serve you well when you eventually move out of education into the world of work.

### Post-16 choices & **Employability assemblies** Across the year you will hear from a range of external providers, form local 6th Colleges and Vocational Colleges to organisations that provide guidance on the range of apprenticeship opportunities and other post-16 options you have open to you before you make your final submissions to your post-16 destination and consider what steps you may take after this!

Additional 1-2-1 Careers Support to meet with a qualified careers advisor.

If you are still unsure of the next steps you want to take after secondary school there will be a further opportunity

Careers Deep Learning Day "What's next?" Gain a better understanding of the challenging choices you'll make as you progress through education by enjoying this engaging theatre production. On the day you will also build your understanding of essential careers skills with the Speakers Trust and participate in the 'Fast Track to Success' workshop.

**Careers Coach** Across the year you will have at least one personalised meeting with a qualified careers advisor. You will

agree a 'footsteps' action plan that will be saved to your Unifrog account providing you with some clear targets to help you on the next steps of your education journey. If you need a little extra support working through your 'footsteps' action plan vou'll work with our BHCS careers coach who will be on hand to offer guidance on how to successfully complete each step of the advice you received in your 1-2-1

careers meeting.

1-2-1 Careers Meetings &

Employability assemblies, continuation of My World (Values) Curriculum & Post-16 Campus visits Across the year you will continue to build your understanding of what the next steps look like after secondary school. You may well be starting to formalise plans for your Post-16 education and some students may have a very clear idea of the career they wish to pursue

Post-16 choices &

During tutor time you will further explore key themes linked to the world of work. Now is a great time to visit some of our local Post-16 education providers, in year 10 you'll get a chance to do

# Unifrog – Careers Platform

You'll revisit your personality profile to see how you have changed since year 7! You'll then go on to think about how you can contact employers and write effective CV's and cover letters. You'll continue your journey of discovery around the careers that might be of interest you and consider what makes a great team player and how this is an essential career skill.

inspired & Duke of Edinburgh Award (to name just a few) Year 10 students will have the opportunity to form their own business by participating in the Young Enterprise Company Programme. From concept to completion this is a great way to learn about business under the guidance of a business volunteer. Get inspired is a careers fair a selection of Year 10 students will have the opportunity to attend to help them understand more about the range of job sectors available. You may decide to work towards the Bronze Duke of Edinburgh Award pert of which will include voluntary working experience.

Young Enterprise, Get

## Southern Universities Network (SUN) Uniconnect Programmes
