BHCS Careers Vision Statement

The Brighton Hill Community School careers provision vision is to firmly embed a comprehensive careers programme within the curriculum, rooted in the Gatsby 8 Benchmarks.

The provision will recognise the needs of each individual student in our care, enriching and empowering them to access the next stage of their education, while being aspirational in these Post-16 choices, providing a pathway towards well informed career decisions which will change their lives for the better.

As a result, students will be happy, responsible citizens, prepared for the challenges they may face in life, who will continue to be aspirational in their life and career choices and so make positive contributions to society.

At BHCS we are committed to continued development of our Careers & Enterprise offer to students and in turn support the discussions parents, carers and staff will have with their children about the options available. We take pride in our commitment to reaching the [Gatsby Career Benchmarks](#). All students and parents should have access to high-quality information about future study options and labour market opportunities. At BHCS our students work with a qualified careers adviser across Year 10 & Year 11 to make best use of available information.

We are developing a Careers and Enterprise programme at BHCS that will mean that by the age of 14, all students will have accessed and used information about career paths and the labour market to inform their own decisions on study options. Just click on the relevant zone button below to start exploring.

Parent Zone

Parent Zone

Welcome to the Careers & Enterprise Parent Zone! Did you know your child has a dedicated Careers & Enterprise Zone in School just for them? Why not ask them if they've visited it yet and what they've researched there? If they've yet to visit it, please encourage them to do so and ask them to feed back to you their findings!

Did you know your child has access to Unifrog? This is BHCS' preferred careers platform. In addition to guided lessons as part of our careers programme, students can also login at any time and complete tasks independently. You can find out more about 'Unifrog' by [watching this video](#). To help support engagement with your child, we are giving you the chance to set up your own parent account that you can use to see what it is like to use 'Unifrog'. Although GDPR rules prevent 'Unifrog' giving you direct access to your child's account, the parent account lets you see and use all the tools your child has access to. Simply [click this link](#) and use the sign-up code **BRHCparents**, then complete the rest of the details to set up your account. It says, 'student account sign up code' but we have agreed with 'Unifrog' this special parental option for you.

If you as a parent/carer want to find out more about any other aspect of our career's programme, you're in the right place! Pick from the options below depending on what you want to know.

Animal care assistant

Working hours and environment

Working hours, patterns and environment

You may work shifts, including early starts and some evenings and weekends.

Working with animals can involve hard physical work, and you may work outdoors in all weathers.

Skills required

You'll need:

- the ability to handle animals patiently, gently and confidently
- the ability to cope with upsetting situations like working with injured or badly treated animals
- a willingness to do dirty or unpleasant tasks
- the ability to take responsibility for the duty of care of animals

Got evidence of these skills? Record your examples on the [Competencies tool](#) >

Related university subject profiles

These university subjects are related to this career;

Career path and progression

With experience, you could progress to supervisor or manager, or become self-employed.

You could also use your experience to move into other animal care careers, like veterinary nursing.

UK Entry Requirements

There are no set requirements, but some employers may ask for qualifications like GCSEs.

Experience of working with animals will help. You could gain this through [voluntary work](#).

Taking a college course in an area like animal care could help you gain some of the skills and knowledge you need in this job.

You could get into this job through an [apprenticeship](#).

[Lantra](#) has more information on being an animal care worker.

Animal care assistant

Labour Market Information (LMI)

UK Current Jobs

Animal care and control services (SOC3)

UK jobs: 61,763

Hampshire jobs: 2,156 (1st of 214 UK LEAs)

Top 5 LEAs: Hampshire (2,156), Suffolk (2,088), Essex (1,932), Kent (1,890), Surrey (1,766)

UK Prospects

Caring personal service occupations (SOC2)

UK growth: +18.5% from 2017 to 2027, creating 478,062 jobs

South East growth: +18.8% from 2017 to 2027, creating 67,477 jobs

UK Salary

Animal care services occupations n.e.c. (SOC4)

UK annual median: £20,144

Animal care and control services (SOC3)

South East annual median: £20,551

Top 3 regions: London (£25,446), East of England (£22,454), Scotland (£21,487)

What is SOC?

Standard Occupational Classification (SOC) codes are the UK government's official method of sorting jobs into categories.

SOC4 sorts all jobs into 370 different categories, SOC3 has 90 categories, and SOC2 has 25.

Here's an example of how it works. The Unifrog careers profile 'Classical musician' goes into the SOC4 category 'Musicians', which goes into the SOC3 category 'Artistic, literary and media occupations', which in turn goes into the SOC2 category 'Culture, Media and Sports occupations'.

THANK YOU
